

COMBINED CARAVAN CLUBS OF QUEENSLAND

WHAT IS A CARAVAN CLUB?

A group of caravan owners with an interest in meeting one weekend in each month. This involves towing your van up to 100km to a forest park, caravan park, school ground or showground. This area is often chose for a particular feature, such as beauty, beach, local carnival, etc. It is usual for the club to arrange entertainment which may be a singsong around a campfire, a variety night or film. Once a year all the clubs in Queensland get together for a State Rally, and every three years club members from all over Australia gather for a National Rally. Here you can make friends from interstate.

WHY JOIN A CARAVAN CLUB?

ENJOY YOUR VAN ALL YEAR by using it once a month at the club rally instead of once a year holidays. You will also meet friends to travel with and enjoy our beautiful countryside with others who have a common interest.

SEE MORE PLACES

Caravan clubs are able to access many venues that are available to club members only. You will visit places off the beaten track that you would normally by-pass on a holiday trip.

HAPPINESS FOR ALL AGES.

Entertainment is organized to include all age groups. Meeting new friends is an important part of life in a caravan club.

VISIT INTERSTATE RALLIES.

Members are welcome at other clubs rallies by simply contacting the club secretary – another good way to meet new friends and find out about their local area.

LEARN MORE ABOUT YOUR VAN.

Members come from a variety of trades and, along with experienced caravanners, can give you many valuable hints and assist you with any problems that may arise.

WHAT WILL IT COST?

An annual membership fee which includes the cost of your monthly newsletter. Added to that would be the cost of your stay at the monthly rally venue.

HOW DO I JOIN A CARAVAN CLUB?

Listed below are clubs who will welcome new members. When you contact a club they will invite you to join them at a rally. If you enjoyed the weekend – go again. Most clubs give the option of attending as a visitor for two rallies, then joining the club at your third rally.
